

YOUTH COACHING SEMINARS

YOUTH COACHING ESSENTIALS

Tools essential for every novice youth basketball coach are presented, discussed and debated. Topics include: reason's adults coach, developing your coaching philosophy, practice planning, off-the court management, communication (parents & athletes), safety and ethics. 90 minute seminar.

BUILDING PLAYERS SKILL SETS

Develop your knowledge of the individual skills all youth players need. Leave this session prepared to coach player footwork, ball handling, passing, finishing, shooting, individual moves (post and perimeter), and on ball defense. Implementation plans will also be covered. Includes on court demonstrations. 75 minute seminar.

HOT TOPICS IN THE YOUTH COACHING WORLD

Are you prepared to address some of the hottest topics in youth basketball today? This session provides a blue print for managing topics such as playing time, coaching your own child, working with officials, managing disruptive athletes, zone vs m-2-m defenses and much more. 90 minute seminar.

YOUTH DRILLS ON DEMAND

TNT5's time tested drills for enhancing the individual skills of youth basketball players. Includes on court demonstrations. 90 minute seminar.

PRESENTER: As Founder and Director of TNT5 Basketball Development, Tim Schuring earned his B.A. in Education from Wartburg College and M.S. in Sports Management from The USSA. He has a vast array of teaching, coaching and administrative experience at the youth, middle school, high school and collegiate levels. His process driven approach to coaching and teaching has helped him build TNT5 into one of the most reputable basketball developmental organizations in the mid-west.
